

# Rusk County Community Library Art Gallery Gallery Show Proposal

We invite artists of Rusk County and surrounding areas to submit show proposals for the Library Art Gallery. The gallery committee will review proposals and contact the artists with possible dates for the show. Please note that even if you do not have a body of work to fill the gallery, you may submit a proposal for displaying any number of pieces that could be combined with other appropriate proposals for a complete show. We ask that you familiarize yourself with our gallery, (a current or previous gallery show), before submitting your proposal so that you will have a sense of the level of professionalism that we wish to present to the public. Please review the attached library board policy document.

Thank-you, *Library Gallery Committee*
